DETAILED ACTION

This office action is response to amendment file on 11/14/2005.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 16-25 are allowed.

The prior art record, Peterson teaches a cordless telephone system comprising: a base unit which accepts information services for stationary telephone sets and which transmits and receives various signals via a network (Abstract, L1-7, C5, L46-65, Fig.2, Illustrate connection to/from Tel. Line which transceiver signals via a network), and a wireless handset for wireless communication with an external telephone through the intermediary of said base unit (C6, L40-61, Fig.3, Illustrate wireless handset No.30 wherein communication with an external telephone No.33), said handset including a display therein (Fig.11, No.116, Illustrate handset including a display).

However, Peterson and Jarett are fails to suggest or fairly teach wherein said handset: transmits an instruction signal through the intermediary of said base unit to an external information service via the network, receives information, which includes at least one of news banking, ticket, bond, insurance, town, administration, dictionary, traffic, and stock, corresponding to the instruction signal from the external information service through the intermediary of said base unit, and displays the information on said display as substantially connect and detail and including all limitation as particularly recited in claims 17, 22 and 23.

Art Unit: 2683

Claims 18-21, 24-34 are allowed as being dependant on the independent claims 16, 17, 22, 23.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
